The Village Court submitted a check to the Village of Waterville for Five Hundred fifty five dollars in total fines/surcharges for the Month of October.

The NY State Unified Court System has mandated that all Town and Village Judges are required to complete online training regarding their responsibilities when using court computers (see attached Certificates of Completion). This is an ongoing process developed by the I/T department within the state. If anyone is interested please contact me and ill send you the link. It is very beneficial for all village employees.

The monthly report was sent electronically to the state comptroller(see attached).
